Oops! **I stand corrected.** Those two **prime vintage sales** I recently urged you to visit are in fact happening **today** (not last weekend, as I originally reported - and I sincerely regret the error. Please don't let my inability to read a calendar keep you from a vintage find: In the east end, Victoria Dinnick (the gal behind [Gadabout Vintage Clothing](#)), and collector/dealers Angela McCool and [Eclectisaurus](#) come together off-site for their **semi-annual sale** of clothing and antique jewellery, furnishings and textiles "carefully collected from fabulous Ontario estates" (at Maple Cottage, 62 Laing St. south of Queen a block east of Leslie, 10am-5pm today).
