Off The Beaten Path

Sitting on a lonely stretch of Gerrard Street in Cabbagetown, [Eclectisaurus Antiques and Brocante](#) carries everything “from the ridiculous to the sublime.”

Charming art deco lamps share space with sleek Danish coffee tables and clunky old typewriters.

Add punch to your retro decor with orange Murrine 1970s curtains (\$100) or serve water in style in a vintage Buenilum aluminum pitcher (\$85). And if you really want to make a statement at your next dinner party, serve your casserole in a blindingly-yellow mid-century modern Dansk Kobenstyle dish (\$75).

Ridiculous, sublime—or just plain fabulous?
